To the Partners
Crest Management Partners, L.P.

We have audited the accompanying statement of financial condition of Crest Management Partners, L.P. as of December 31, 2002. This statement of financial condition is the responsibility of the General Partner of Crest Management Partners, L.P. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Crest Management Partners, L.P. as of December 31, 2002, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the Statement of Financial Condition. Such information has been subjected to the auditing procedures applied in the audit of the Statement of Financial Condition and, in our opinion, is fairly stated, in all material respects, in relation to the Statement of Financial Condition taken as a whole.

NOTES TO FINANCIAL STATEMENTS

1. Nature of operations

Crest Management Partners, L.P. (the "Partnership") is a broker-dealer registered with the Securities and Exchange Commission (SEC) and the Commodity Futures Trading Commission (CFTC). The Partnership is also a member of the National Futures Association and an associate member of the American Stock Exchange. The Partnership's operations consist primarily of engaging in proprietary trading transactions.

2. Summary of significant accounting policies

Securities Owned and Securities Sold, Not Yet Purchased, at market

All securities owned and securities sold, not yet purchased are valued at market and unrealized gains and losses are reflected in revenues.

Revenue and Expense Recognition from Securities Transactions

Securities transactions and the related revenues and expenses are recorded on the trade-date basis.

Income Taxes

As a partnership, no provision for federal and state income taxes is required as each partner is responsible for reporting their share of the Partnership's income or loss on their personal tax return.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts disclosed in the financial statements. Actual results could differ from those estimates.

3. Securities owned and securities sold, not yet purchased

Securities owned and securities sold, not yet purchased at December 31, 2002 consist of equity securities of approximately \$2,226,000 and \$2,346,000, respectfully.

4. Net capital requirement

The Partnership is subject to the SEC Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At December 31, 2002, the Partnership's net capital was approximately \$2,344,000, which was approximately \$2,244,000 in excess of its minimum requirement of \$100,000.

CREST MANAGEMENT PARTNERS, L.P.

NOTES TO FINANCIAL STATEMENTS

5. Concentrations of credit risk

In the normal course of business, the Partnership's activities involve the execution, settlement, and financing of various securities transactions. These activities may expose the Partnership to off-balance-sheet risk in the event the counter party is unable to fulfill its contracted obligations and the Partnership has to purchase or sell the financial instrument underlying the contract at a loss.

In the normal course of business, all of the Partnership's securities transactions, money balances and security positions are transacted with a broker. The Partnership is subject to credit risk to the extent the broker with which it conducts business is unable to fulfill contractual obligations on its behalf. The General Partner monitors the financial condition of the broker and does not anticipate any losses from this counterparty.

6. Due to/from clearing broker

The due to clearing broker is due on demand and is collateralized by all Partnership-owned securities held by, or deposited with, the clearing broker. Interest is charged at the clearing broker's call rate. Amounts due from clearing broker may be restricted to the extent that they serve as deposits for securities sold short.

7. Off-balance sheet risk

The Partnership is subject to certain inherent risks arising from its trading activities of selling securities short. The ultimate cost to the Partnership to acquire these securities may exceed the liability reflected in these financial statements.

8. Exemption from Rule 15c3-3

The Partnership is exempt from the SEC Rule 15c3-3 and, therefore, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers".

9. Related party transactions

The General Partner (the "GP") of the Partnership is Crest Capital, LLC, which manages the operations of the Partnership. The GP is required by the Limited Partnership Agreement (the "Agreement") to maintain a capital balance in an aggregate amount equal to at least the lesser of 1.01% of the aggregate net capital contributions made to the Partnership by all the partners or \$500,000.

As compensation for the GP's services, upon each calendar quarter end, the Partnership shall pay the GP a management fee and an incentive fee, based on certain guidelines in the Agreement. The GP has waived both the management and incentive fee for the year ended December 31, 2002.
